

ULTRA LIGHT & MASSIVE 3D POINTING STATIVE WITH ANTENNA

1 The original EUTELSAT Tooway™ antenna is a massive, levellable stative solution designed for precision 3D positioning. It is very easy to learn and use. It is delivered in 3 soft padded bags or in a shock resistant PELI™ 1740 hard case.*

ITBROADCAST PRO MARK III KA-SAT ALL-IN-ONE SUITCASE

2 It is a compact VSAT Control Centre for EUTELSAT Ka-Sat services designed for field use in a wide range of climatic conditions. It operates from a variety of power sources, for example from 12V car cigarette lighter socket, 14,4V SONY V-Mount batteries and 110V – 230V AC mains. Setting VSAT is easy by smart devices via the internal WIFI modem and we can connect LiveU professional uplink and other IP units to it through the WIFI & LAN connector.

SAT-BOOKING.COM* CLOUD-BASED, PRE-PAID BOOKING SYSTEM WITH LOW GIGABYTE COST

3 Your Customers can use exactly as much Gigabyte as much they have paid for in advance through the **sat-booking.com** system. The page offers other special options to its VIP Customers.
